

TOTP Registration Process Note

There can be two processes registration and getting the TOTP Key depending on your current 2nd factor of authentication:

1. If the current 2nd factor of authentication is SMS/Email OTP - switch to TOTP
2. If the current 2nd factor authentication is already TOTP - Switch to SMS/Email OTP first and then switch back to TOTP

Steps for 1 are shown in the next slides.

1a. Login to markets.iiflcapital.com, using your Dmat account credentials.

Risk Disclosures On Derivatives

Risk disclosure in the Equity Futures & Options segment aims to inform individual traders about the inherent risks involved in trading these derivative instruments. By disclosing these risks, regulatory bodies such as SEBI seek to ensure that traders are fully aware of the nature of these instruments and the challenges they pose.

- 9 out of 10 individual traders in equity Futures and Options Segment, incurred net losses.
- On an average, loss makers registered net trading loss close to ₹50,000.
- Over and above the net trading losses incurred, loss makers expended an additional 28% of net trading losses as transaction costs.
- Those making net trading profits, incurred between 15% to 50% of such profits as transaction cost.
